Brand New Book ***** Print on Demand *****.Shadow War is the first of a three book serial that will take the reader into the inter working of a special anti terrorist team run by the CIA. James Mason Kelley a former US Navy Seal team commander has placed himself in danger. While he carries out an unauthorized investigation into corruption at the highest levels of government. Forcing him to run and hide as he carries out his investigation. At the same time a newly elected President is about to take office, as a new terrorist threat is discovered. A threat whose roots can be tracked all the way back to the fall of Communism. Slowly it is discovered that there is a connection between this threat and a highly placed figure within the CIA, man skilled in removing obstacles from his way. As the plot and sub plots develop it becomes apparent that the target of the next terrorist attack is likely the inauguration of the new President. While how and where the attack will take place are still unknown. This is a passage from Shadow War: Three hours later, he pulled into the park. At the far end of the lot, there was a solitary black Durango parked. As he approached it, he could tell it was running because of the warm exhaust rising from the tail pipe. The man inside looked like he was sleeping. Jim parked his T Bird and walked up to the driver s door. It was Wayne Russell all right, but he was in no position to talk. The driver s side window was shattered, and it was apparent that someone had placed a small caliber round through...
