Remember the wonder and innocence of catching fireflies as they dance through the summer nights Here is a wonderful opportunity to share the magical experience with your children and also talk about nature, insecurities, and challenges. Amy is afraid of dark shadows in her bedroom, but notices a slight glow in the back yard. With exuberance she catches fireflies in a jar, only to find their lights go dim until they are free again--and that her fear of the dark is gone. The photo-illustrations are lifelike yet dreamy. A wonderful read-aloud. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
