Especially in organizations the role of communication has become a key factor of success and gaining competitive advantage. The presence of communication is represented in every level of a company, ranging from the enterprise to the functional level. Meetings are used as intermediaries to find ways through implement company missions and visions from the strategic to the operational level. , abstract: In today's complex societies the issue of communication gets one of the most challenging tasks among human beings. Especially in organizations the role of communication has become a key factor of success and gaining competitive advantage. The presence of communication is represented in every level of a company, ranging from the enterprise to the functional level. Meetings are used as intermediaries to find ways through implement company missions and visions from the strategic to the operational level. The following meeting arranged by the management is intended to involve all consultants to participate and take responsibility of increasing assignments but Göran is in argument with Torbjörn and MD Bertil. Torbjörn and Bertil expect Göran not only to arrange a LOOP-seminar and write sales letters about LOOP, which is what he proposed on the meeting, but also to take the responsibility of sending letters in addition to the general letter. The intentions of Bertil and Torbjörn were to get everyone to participate and to take on responsibility for increasing assignment,...
