I started with the first chapter and could not put it down until I finished chapter 17, End of Contract. It is too bad this is fiction, because if this was reality I would apply for a position. Thank you so much for such a stimulating read. Hello. loved your medical model story. While you write it as fiction the job is not all made up. While attending UCLA in the early 50s I was an art model for life drawing classes and was approached by a faculty member who said that there was money to be made modeling for the medical school too. I have modeled nude most of my life for...
