Brand New Book ***** Print on Demand *****.In the beginning when God made man, He made him perfect. He wanted man to be His friend. But, God did NOT make a robot. He gave him a powerful gift that men and women were supposed to use wisely: the gift of choice, a free will. Man used this powerful gift adversely and plunged the entire world into a cursed state, separated from God s provision. God judged this action as sin and penalized it with the death sentence. Separated from God, man died spiritually instantly but he also began to age and die physically. This death sentence was extremely serious because it affected the entire human race forever, since everyone born after this first man Adam would be born subject to this curse and under the punishment of death. As a result of Adam s action his sin was passed onto his children and their children; therefore in Adam ALL have sinned. With these three paragraphs, Dr. Henry Wolmarans begins the teachings for which God has called him and prepared him. God does have a plan for your life, and this book is a road map for following that plan into the arms of salvation.
