Reviews

Undoubtedly, this is actually the finest work by any writer. It is really basic but excitement within the fifty percent of your publication. Your way of life period is going to be enhance as soon as you comprehensive looking over this ebook.

(Matt Maggio)

THE CITY BUILDER

Dalkey Archive. 1 Paperback(s), 2007. soft. Book Condition: New. An architect considers his life, his work, and the many-layered history of the unnamed city that he and his familyall of them architectshave helped to construct. After much of what his father built is destroyed in World War II, the architect becomes a Stalinist planner, and realizes that the power of the wealthy and affluent has been usurped by technocrats. Told with wit and elegance by one of Hungary's greatest authors, this novel chronicles the indignities of both living in and contributing to a cruelly depersonalized society."[George] Konrád is an extraordinary writer, possessedin Ivan Sanders's excellent translationof an acrid eloquence that can rise to a pitch of ecstasy. Surreal juxtapositions and lightning shifts of thought show the hand of a highly sophisticated artist."Newsweek 184.
