

## The Secret of the Totem

Filesize: 5.12 MB

### ***Reviews***

*This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Genoveva Langworth)*

## THE SECRET OF THE TOTEM

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is the natural sequel of Social Origins and Primal Law, published three years ago. In Primal Law, Mr. J. J. Atkinson sought for the origin of marriage prohibitions in the social conditions of early man, as conceived of by Mr. Darwin. Man, in the opinion of the great naturalist, was a jealous animal; the sire, in each group, kept all his female mates to himself, expelling his adolescent male offspring. From this earliest and very drastic restriction, Mr. Atkinson, using the evidence of avoidances between kinsfolk in savage society, deduced the various prohibitions on sexual unions. His ingenious theory has been received with some favour, where it has been understood. Mr. Atkinson said little about totemism, and, in Social Origins, I offered a theory of the Origin of Totemism; an elaboration of the oldest of all scientific theories, that of Garcilasso de la Vega, an Inca on the maternal side, the author of the History of the Incas. Totems, he conceived, arose in the early efforts of human groups to differentiate each from the others. Mr. Max Muller and Dr. Pikler set forth the same notion, independently. The clans, or, as I say, groups, needed differentiation by names, such as are still used as personal names by savages, and by names easily expressed in pictographs, and easily signalled in gesture language. The origin of the group names, or sobriquets, once forgotten, the names, as usual, suggested a relation between the various name-giving objects and the groups which bore them. That relation was explained by the various myths which make the name-giving animals, plants, and other objects, mystic kinsmen, patrons, or ancestors of the...
