On a car plate, receipt, hotel room door, price tag, the clock -- everywhere. But do you ever feel that certain numbers call out to you? Are there any special combinations that keep reappearing in your life? What if these numbers are trying to 'tell' you something, an answer to an important question that has been on your mind lately? The predictive power of numbers is now revealed in Joey Yap's Yi Number Oracle, where he has streamlined, converted and simplified the practice of classical Yi Jing (Book of Changes) and presented it in an accessible approach for the novice.
