HERE AND NOW: A WHIMSICAL TAKE ON GOD

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Internationally enjoyed illustrator and humanist thinker Jeff Stilwell takes us on a journey that begins in ancient history, in the land of Ur, where God making was all the rage. Pursuing that thread through the Abrahamic religions of Judaism, Christianity and Islam to the present day, we discover that we don t need to make up gods to explain things anymore. Since we all come accessorized with an expiration date, Stilwell encourages us all to make the most of this life we have to live, here and now. Starring Stilwell s freethinking alter-ego Thrashin Jack and his friend Lotus, Here and Now features over one hundred delightful and charming comics illuminating the story. #1 Hot New Releases Amazon Kindle in first week of publication! ADVANCE PRAISE FOR HERE AND NOW. Stilwell covers the most complex topics-the problem of evil, what makes all the different priests and leaders so sure of themselves, quantum physics-by way of his endearing comics. You almost need the illustrations to break up the minimal narrative, so you can take at least a moment to ponder whether you want to dispute any of his statements. That s a lot of heft for a mere cartoon book to carry, and yet Here and Now manages it. ---Susan Perry, Creative Atheist, Here and Now is funny, concise, and timely. A must read for the atheists and, more importantly, the theists among us. ---Tom Smith, Secular Radio, Stilwell s comical illustrations will help you visualize how religion was made. The process the book walks you through is amazing. A great and interesting read! ---Amanda Brown, President, We Are Atheism, While the elementary level language and comic-strip style artwork makes it easy to miss...
