Chipmunkpublishing, United Kingdom, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Description This book describes the author s (to date) 2 periods of psychotic illness, both of which occurred during the 1980 s and, whilst not originally intended as anything more than a personally satisfying way of expressing his vivid memories of these episodes, hopefully serves to evoke such illness in a manner to which sufferers/former sufferers can relate, whilst at the same time rendering this from the outside baffling state a little bit more intelligible to those who have not personally experienced it. I have little...
