The market-leading, reliable, and easy-to-use informal assessment instrument. The QRI-6 continues to emphasize the authentic assessment of children's reading abilities—from the earliest emergent readers to advanced readers. This popular resource provides graded word lists and numerous passages designed to assess a student's oral reading accuracy, rate of reading, and comprehension of passage read orally and silently. Several unique features set it apart from other resources in the field, including narrative and expository passages at each level from pre-primer through high school, as well as all self-contained selections being highly representative of the structure and topics of materials found in basal readers and content-area textbooks. For example, passages at the pre-primer through second grade levels are presented...
