If you re feeling a bit sluggish with God then you need to get moving back to God s word and a day to day life that focuses on Jesus. Living the Christian life can be a slog, it can be hard going, and is described in the bible as a race, something to be won. It s something for which you need motivation. This book by Paul White motivates us to put the effort into the Christian life. He encourages us to read the Bible and stick close to God in order to be motivated towards a life that is characterised by responsibility, honesty and purity. The choices and challenges that face you in this sinful world can be hard to tackle. But following God s word can make all the difference.
