## An Outline of the Elements of Economics (Classic Reprint)

By William Henry Kiekhofer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Outline of the Elements of Economics The course in the Elements of Economics extends throughout the year, carrying four credits per semester. The first semesters work (Economics Ia) may be elected without the second (Economics Ib), but students desiring a general survey of the whole field of economics are advised to take both Economics Ia and Ib. An attempt is made, however, to give to students, whose programs do not permit them to elect more than one semester s work in the Elements as complete a course in Economics Ia as possible. The work of the first semester includes a portrayal of the economic struggle, production, valuation and distribution, and the problems connected with labor in industry - Parts I-IV of this Outline. The second semesters work includes exchange, consumption, public finance, economic policies and politics - Parts V-VIII of this Outline. Students may enter upon a continuous years work with the opening of either the first or second semester. Five methods of instruction are used in the course: the lecture, the class discussion,...
