Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

After reading and rereading we realize how carefully Ruge has placed each part of the puzz this splendid, beautifully translated novel becomes richer as it acquires a logic of its own. . . . We must be even more grateful for Ruge's vision and talent . . . out of that gloomy bleak place and time, he has given us such a unique and evocative novel." Ruge has managed to weave the personal into the political in a book that functions as an ethnography of a lost time as much as it does a novel." San Francisco Chronicle "The strength of this often funny, sometimes moving novel is its unwavering psychological realism. . . . The Barnes and Noble Review "Impressive. . . . a shrewd and very knowing novel, slippery with the truth and packed tight with...
