Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Introduction to the History of the Law of Real Property: With Original Authorities My object in undertaking this work was to attempt in some degree to supply a want which at present greatly impedes the study of English law at the Universities. There is no really elementary work on the English law of real property adapted for students who have not and may never have any practical experience in the working of the law. Almost all elementary books have been written from the professional rather than the educational point of view; excellent as many of them are as introductions to a practical knowledge of law, they are scarcely available for purposes of legal education at an University. Blackstone's treatise stands almost alone in adequately satisfying both demands. It has been the fashion of late to dwell on the defects rather than on the merits of that great work, and there are obvious reasons why it is hardly adapted to the requirements of the present time. Nevertheless Blackstone still remains unrivalled as an expositor of the law of his day. Throughout the following pages his work is referred to as at once the most available, and the most trustworthy authority on the law of the eighteenth century. In considering the mode in which the elementary principles of the important branch of English law, which is the subject of this treatise, can best be dealt with, there can be little question that it is necessary to begin by sketching the history and development of rights over land. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This...
