Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is THE ministry handbook for spiritual leaders; whether planting new churches or retooling an established organization. It is a nuts and bolts description of how to set up cell groups for the purpose of mentoring people in a working knowledge of the Word, and the art of prayer. The structure and wisdom in this book will explain how to set up prayer coverage over the congregation and the various ministry departments within a church body. The principles and vision in it need to be imparted to the leaders in order to see spiritual growth in the people so they discover their God-given rights and privileges, understand their place on the team, and are educated, equipped, and empowered to walk their own unique journey with God on this Earth. As that happens, the growth in the people themselves will cause expansion of the Kingdom of God. As spiritual leaders we are responsible for the people God plants in our care (Hebrews 13:17) so it s imperative we do things decently and in order. This manual will help you do just that for the people in your care, and the operation of your particular ministry.
